Maldives Aggressor II

Quick Reference Summary

Charter Schedule: Sunday to Sunday (7- Home Port: Malé, Maldives night); 10-night charters may begin/end on different days of the calendar week (review dates at time of booking)

Arrival & Transfers

Item	Details
Recommended Airports	Velana International Airport, Huluhulé Island, North Male Atoll (MLE) — Adjacent to Malé city; 15-minute boat ride to the Hulhumalé Lagoon anchorage
Arrive By	All guests strongly encouraged to arrive 1 day early. If arriving on charter day, your flight must arrive at MLE in time to clear customs and reach the airport meeting point by 3:30 pm
Check-In / Out Window (from the yacht)	Check-In: Meet Aggressor staff at MLE Airport at 3:30 pm (staff wear a white Aggressor polo shirt); water taxi to the yacht departs 4:00 pm Check-Out: 8:00 am (morning after the last dive day), with transport to MLE Airport after breakfast
Transfers:	Included — Airport transfers included for guests arriving/departing on charter start/end dates. ALL guests — including early arrivals — must meet at MLE Airport for the prearranged 3:30 pm pickup; there is no marina pickup. Early arrivals are responsible for transfers between the airport and their hotel (Aggressor DeTours can assist: travel@aggressor.com).

Deadlines & Documents

60 Days Before Departure	Review Diving Medical Form (if doing scuba training). Make a doctor's appointment if needed.
14 Days Before Departure	Aggressor's Guest Information System registration due (include full arrival & departure flight information). Confirm any special requests.
Item	Details
Passport	Valid ≥ 6 months beyond trip.
Guest Info System (GIS)	Complete all sections ≥ 14 days before departure.
Traveler Declaration (IMUGA)	https://imuga.immigration.gov.mv — Submit online within 96 hours before your flight
Diving Medical Form	Required if doing any SCUBA training courses.
Dive Certification Card	Required for all divers (+ Nitrox if applicable).

Fees & Payments

Item	Details
Port Fee (incl. Green Tax, GST, park fees) — 7-night	\$340 per person
Port Fee (incl. Green Tax, GST, park fees) — 10-night	\$425 per person
Fuel Surcharge (from April 2, 2026) — 7-night	\$200 per person
Fuel Surcharge (from April 2, 2026) — 10-night	\$285 per person
VAT / Tax	22 (Maldives tax on onboard purchases)% — card surcharge 3.5%
Payment Methods	US Dollars, Visa, MasterCard, Euros, or Rufiyaa. Travelers' checks and personal checks not accepted.

On Board Highlights

- All staterooms have individual A/C with private bath
- Power: 110V and 220V available. Bring USA 110-220 twin pin socket adapters
- Wi-Fi: cellular-based Wi-Fi (3G+) in salon — reliable near islands, less reliable during night navigation; internet packages for purchase onboard; SAT phone for emergencies only
- Meals: full breakfast, lunch buffet, dinner served; snacks between dives
- Beer & wine included — bring preferred spirits from duty-free
- Smoking on rear sun deck only

Diving Essentials

- Average of up to 18 dives & 2 night dives offered on 7-night, an average of 27 dives & 3 night dives offered on 10-night trips
- All diving from 60 ft Dhoni (dedicated dive tender)
- Recommended: mask, fins, snorkel, BCD, regulator, booties, pressure gauge, & wetsuit
- Strongly recommended: spare mask (prescription lenses), safety sausage, whistle, Dive Alert, mirror, and reef hook
- Mandatory equipment: dive computer
- Tanks (12L / 80 cu/ft) provided; 15L available for rent (limited quantities, first come, first serve)
- Nitrox available (extra fee)
- Nearest hyperbaric chamber: Bandos Island (15 min by speedboat from Malé). Regional chambers: Kuramathi (Ari Atoll), Kuredhu (north), Viligili (south)

1. BEFORE YOU GO

Passports

All travelers must have a passport valid for at least six (6) months beyond your period of stay.

Children/Minors: There are specific requirements for children departing the United States, and many countries have implemented similar measures.

Visa

The Maldives grants a free 30-day visa on arrival to citizens of virtually all countries — no pre-approval required.

You are responsible for:

- Having a confirmed return airline ticket and proof of accommodation (your Aggressor booking confirmation counts)
- Having documents to re-enter your home country
- Checking visa rules for any connecting flights

Important: Effective April 15, 2025, entry to the Maldives is not granted on Israeli passports.

Where To Check:

- USA citizens: www.travel.state.gov
- Other countries: Contact your foreign affairs office or embassy
- All travelers: IATA Travel Centre

Traveler Declaration (IMUGA) (Required)

Complete the Traveler Declaration (IMUGA) at <https://imuga.immigration.gov.mv> Submit online within 96 hours before your flight.

Required Forms

You need two things before you can dive and a third if you plan to do scuba training:

1. GUEST INFORMATION SYSTEM (GIS)

What: Aggressor's online cruise application forms, including waiver and travel details

When: Complete 14 days before departure

How: You'll receive a link by email. If you didn't get it, contact reservations.

Include your flight arrival time or hotel name in the GIS.

2. DIVE CERTIFICATION CARD (C-CARD)

What: Your diving certification card

Bring: The physical card or digital proof

Note: If diving with Nitrox, bring your Nitrox certification card as well.

3. MEDICAL FORM (RSTC) (Only if doing scuba training)

What: Diving Medical History Form

When: Required only if you plan to take a scuba training or certification course during your trip.

How:

- Download the form now at <http://www.aggressor.com/RSTCMedical.pdf>
- Answer all questions honestly
- The form will tell you if your answers require a doctor's approval.
- If no doctor approval is needed, you can sign it yourself
- Print it and bring it to the yacht

ALREADY HAVE ONE? If you have a medical form signed by a doctor in the last 12 months, you can use that instead.

There are no doctors once the yacht leaves the dock. If you need a doctor's signature and don't have it, you cannot participate in any SCUBA training classes.

There are no doctors once the yacht leaves the dock. If you need a doctor's signature and don't have it, you cannot participate in any SCUBA training classes.

- An incomplete or Missing GIS will result in denied boarding and possible trip cancellation without refund.
- You cannot dive without a certification card.
- You cannot participate in SCUBA training courses without a medical form.

Travel & Health Insurance

Aggressor Adventures strongly recommends all guests purchase insurance to protect your investment and health.

SUGGESTED COVERAGE:

- Travel Insurance (Trip Cancellation and Interruption)
- Dive Insurance (Dive Accident and Medical)
- Equipment Insurance

CONSIDER ADDING:

- "Cancel For Any Reason" (CFAR) upgrade - extends coverage beyond traditional policies without the constraints of "covered situations".
- "Liveaboard Rider" upgrade - addresses liveaboard-specific issues such as missed dives due to illness, weather, or accidents to others, which impact your experience and more.

These policies provide financial security if unexpected events occur.

Get quotes: www.aggressor.com → Insurance for options.

2. PREPARING FOR YOUR ADVENTURE (2-4 WEEKS BEFORE)

Recommended Packing

Travel light. Space on the liveaboard yacht is limited.

LUGGAGE: Use soft luggage, such as duffel bags (not hard suitcases), for easy storage in your room.

CLOTHING TO BRING:

- Lightweight, comfortable sportswear
- Swimsuits
- Light sweater or jacket for evenings
- Walking shoes for time ashore
- Sunglasses and hat

Dress code: Always casual and informal

ESSENTIALS:

- Sunscreen (reef-safe recommended)
- Sunglasses
- Hat
- Walking shoes

PACKING CHECKLIST: Use this QR code to grab a free Packing Guide. It's a simple checklist that makes sure you bring everything you need for your adventure. No more forgotten essentials!

Electronic Devices

Personal Electronics are welcome:

Cameras, phones, satellite phones, computers, tablets, and e-readers

The following devices are prohibited:

Underwater Scooters | Prohibited.

Electric Surfboards | Includes e-foils, jetboards, powered surfboards, and similar devices.

CHECK WITH AIRLINE: Some airlines have restrictions on lithium batteries in checked bags. Check your airline's rules before packing.

Required Dive Equipment

All divers are required to have the following equipment. You may either bring your own or rent on board.

- Mask
- Fins
- Snorkel
- Buoyancy Compensator (BCD)
- Regulator with an Alternate Air source and a visible pressure gauge
- Dive Computer
- Tank (provided)
- Weights (provided)
- Weight belt (provided)
- Wetsuit

Personal Equipment

Mark each piece of your personal gear with waterproof paint or tape. Equipment can look similar — make sure yours is clearly labeled.

Guests should also consider additional personal safety equipment such as:

- Dive Alert
- Nautilus Rescue Radio
- Whistle
- Mirror
- Surface Marker Buoy (SMB) with reel

WHY SMB & REEL ARE RECOMMENDED:

If you surface away from the main yacht, your surface marker helps the yacht staff to track your location for pickup. You are encouraged to practice deploying yours before the trip or on the initial check-out date.

Airline Travel & Checked Bags

WHAT TO CARRY ON THE PLANE: Pack these in your carry-on bag (NOT checked luggage):

- Passport and travel documents
- Dive certification card
- Medical form
- Money and credit cards
- Prescription medications
- One change of clothes (including swimsuit)
- Basic toiletries

Why? If your checked bag is delayed, having essentials in your carry-on means you can still dive on Day 1. Once the yacht leaves port, it cannot receive deliveries until it returns.

CHECK YOUR AIRLINE'S RULES: Different airlines have different limits for:

- Number of bags
- Weight limits
- Size restrictions
- Extra fees

BUSY SEASON RESTRICTIONS:

- Some airlines reduce luggage allowance during high season (December - April).
- You might only get one checked bag instead of two.

DIVE GEAR FEES:

- Many airlines charge extra fees for dive equipment.
- Check if your airline offers a "sports equipment" allowance.

Communication with Home

Before departure: Share your itinerary with family

Emergency contact: +1-706-664-0111 available 24/7

In port (embarkation day/departure day): Most cell phones will work if they have international roaming or data.

At sea: SeaFi Internet is available for purchase

Cell phones will work sporadically based on distance from towers.

Return day: Most cell phones will work if they have international roaming or data.

Tip: Send a "heading out for 6 days" message embarkation day evening so family knows you may be offline by choice.

Green the Fleet

Contribute to the Green the Fleet sustainability initiatives. Here are a few reminders to keep in mind as you get ready for your adventure:

- Avoid traveling with single-use plastics.
- Remove packaging from any new purchases before traveling.
- Travel with a refillable water bottle for hydration.
- Use rechargeable batteries whenever possible. Plan to bring home used batteries so they can be properly disposed of.
- Use an environmentally friendly or ocean-safe sunscreen.
- Be environmentally conscious in everything you do.

3. GETTING THERE

Arrival Airports

Airport	Code	Distance / Time	Notes
Velana International Airport, Huluhulé Island, North Male Atoll	MLE	Adjacent to Malé city; 15-minute boat ride to the Hulhumalé Lagoon anchorage	

Recommended Arrival Times

All guests strongly encouraged to arrive 1 day early. If arriving on charter day, your flight must arrive at MLE in time to clear customs and reach the airport meeting point by 3:30 pm

Transfer Options

Included — Airport transfers included for guests arriving/departing on charter start/end dates. ALL guests — including early arrivals — must meet at MLE Airport for the prearranged 3:30 pm pickup; there is no marina pickup. Early arrivals are responsible for transfers between the airport and their hotel (Aggressor DeTours can assist: travel@aggressor.com).

Pickup Point	Time Window
In front of the Burger King outside the MLE Airport Arrival Hall	3:30 pm meeting; 4:00 pm water taxi departure

Port and Dockage Details

There is no marina or dock in Malé for guest pickup. The Maldives Aggressor II anchors in the Hulhumalé Lagoon, a 15-minute water taxi ride from the airport. All boarding is via water taxi from the MLE Airport meeting point.

4. ON BOARD LIFE

Electricity

220V at the camera charging and computer stations — bring a USA 110-220 twin pin socket adapter; devices must support 220-240V or be dual-voltage. Maldives plug types: A (ungrounded US standard) and C (Europlug). USB charging ports in common areas.

Meals

American and local Maldivian dishes. Cooked-to-order breakfast, buffet lunch, elegant plated dinner; snacks mid-morning and mid-afternoon. Last-day dinner is held ashore at a rooftop restaurant in Malé (approx. \$35 USD per person plus beverages) — the only meal not included; dinner available on board for guests who skip the city tour. Complimentary juices, soft drinks, iced water/tea, coffee, and a limited selection of local beer and wine — bring preferred spirits from duty-free.

If you have special medical dietary restrictions, please note them in your GIS reservation and discuss them with the yacht chef upon boarding so they can properly prepare to meet your needs.

Specialty dietary items may have limited availability on board. For strict dietary needs:

- Bring critical items with you (gluten-free pasta, specific protein powders, etc.)
- Discuss options with chef on Day 1
- Be flexible - ingredients may not match exactly what you eat at home.

Beverages

Complimentary beverages include:

- Fruit juices
- Soft drinks
- Iced water and iced tea
- Coffee
- Limited selection of local beer and wine

For other alcohol and spirits, you are encouraged to bring your special brand with you or purchase locally before boarding.

Drinking and diving do not mix. Once you consume alcohol, you become a sunbather until the next day.

Communications / Internet

Cellular-based Wi-Fi (3G or higher) available in the salon, subject to signal availability near islands — reliable near islands, less reliable during night navigation; not suitable for large downloads. Internet packages for purchase during the cruise (Cruise Director explains options at the initial briefing). Onboard satellite phone for emergencies only. Cellular service may be available intermittently near island cell towers — check international roaming with your carrier.

Ship's Boutique

- There is a small on board boutique offering assorted t-shirts and other items.
- Your bill for on board services and boutique items will be settled on the last day of diving.
- After returning home, if you still want boutique items, please visit the Aggressor online boutique at aggressorboutique.com.

Fees & Taxes (Pay on Board)

Fee	Amount	Notes
Port Fee (incl. Green Tax, GST, park fees)	\$340 per person	7-night
Port Fee (incl. Green Tax, GST, park fees)	\$425 per person	10-night
Fuel Surcharge (from April 2, 2026)	\$200 per person	7-night
Fuel Surcharge (from April 2, 2026)	\$285 per person	10-night

USD bills must be crisp, undamaged, and recent-series; worn or older bills may be refused or surcharged.

Fees are paid onboard at the end of the charter when settling your bill. Prices subject to change by government authorities without notice. Cash bills must be in excellent condition with no rips, tears, or excessive wear; larger bills must have a security stripe — old-style USD bills and bills in poor condition may not be accepted.

Entertainment

There are a variety of nightly entertainment options:

- Diving videos
- Movies
- Marine life identification and destination presentations

The yacht offers a collection of movies and TV shows that can be watched in the salon or in your room. If you have a favorite movie, digital slideshow, or video to share, bring it along!

A small library of marine life identification books is also available for reference.

Special Occasions

If you will be celebrating a special occasion — such as a birthday, anniversary, honeymoon, wedding, or your 100th dive — please let the staff know so they can help celebrate.

Notify the reservations office before traveling so the staff can be informed in advance.

Gratuities

- Staff gratuities are not included in the charter.
- Gratuities are voluntary and should be based on the quality of service provided by the staff.
- When settling your account on the final evening, the captain will have an envelope for gratuities that will be divided equally among the staff
- Payment can be made by cash (USD or US Dollars, Visa, MasterCard, Euros, or Rufiyaa. Travelers' checks and personal checks not accepted.), Visa, or MasterCard.

Health & Medications

The Maldives Aggressor II has a first aid kit on board, including oxygen and an AED.

Motion Sickness: Consider bringing over-the-counter motion sickness medication if you think you may need it. Consult your doctor about prescription options such as the transdermal patch or Scopace tablets. Currents and winds can cause moderate movement of the yacht at times.

Medication Storage:

The yacht and its staff cannot accept any medication brought on board for safekeeping, including those requiring refrigeration. Guests needing temperature-sensitive medication should travel with a cooling case or a small cooler with blue ice packets. The staff will gladly store and recharge blue ice packs but cannot accept responsibility for proper care or storage of medication. Medication must be kept in your room.

Dive computer is mandatory for all divers — required by Maldives law.

Mandatory safety equipment on every dive due to Maldives currents:

Dive Alert air horn or whistle, Surface Marker Buoy (SMB) / safety sausage, and a personal strobe or signaling mirror.

Drones: advance permission through an application process is required for drone use in the Maldives — do not bring a drone without first confirming current requirements.

5. DIVING INFORMATION

Diving Operations

All diving is conducted from the dedicated 60 ft Dhoni (dive tender). The Dhoni follows divers from the surface rather than anchoring — the safest and most comfortable method for Maldives diving given the wind and currents. A staff member accompanies each group in the water; buddy teams manage their own dives within the briefing, certification standards, and Maldives regulatory limits.

Average up to 20-24 dives (7-night) / 28-32 dives (10-night) total. Up to 3-4 (including night dives) per day. Night diving offered.

Typical Schedule

Day	Activity	
Sunday (Day 1)	Arrive MLE. Meet Aggressor staff 3:30 pm; water taxi 4:00 pm; all aboard by 5:00 pm. Welcome and safety briefing; depart for first anchorage 6 pm or later	
Monday (Day 2) morning	Initial dive briefing (est. 9 am); briefings before each dive site. Diving begins	
Monday – Friday	Eat, sleep & dive — up to 3-4 dives per day including night dives; 3 hot meals + snacks daily	
Saturday	Morning diving; return to port in Malé after lunch (noon-1 pm). 5 pm Malé city walking tour (~1 hour); 6 pm farewell cocktail party on board, then dinner ashore (not included, approx. \$35 USD)	
Sunday (final)	Depart 8:00 am — transfer to MLE Airport after breakfast	

Dive Supervision

- Diving is not just an activity; it's a passion for exploring the underwater world. That's why the dive program is built around empowering you and your buddy to take control of your diving experience.
- While in the water, you and your buddy are in charge.
- Every dive starts with a thorough briefing from the dive staff, covering site conditions, points of interest, and safety procedures.

- As certified divers, you and your buddy are responsible for planning and carrying out your dives while respecting your experience limits and those set by the briefing and your certification agency.
- Divers are not directly supervised - each buddy team manages their own dive.
- If you surface early, only your buddy team surfaces - other divers may continue their dive per the plan and briefing.

Equipment Storage

- Each guest will be assigned a designated seat on the dive deck and a personal locker or cubby to store items.
- There are rails and hangers for wetsuits.
- Freshwater showers are located on the back deck for post-dive comfort.
- Warm towels are provided after each dive.

Wetsuit Rentals

Limited — Dive computer is MANDATORY (required by Maldives law). Mandatory personal safety equipment on every dive (due to Maldives currents): Dive Alert air horn or whistle, Surface Marker Buoy (SMB) / safety sausage, and personal strobe or signaling mirror. Reef hook and Nautilus Rescue Radio also recommended for current diving. Tanks: 80 cu ft (12L) aluminum, standard K-valves (American yoke); limited convertible DIN valves available — bring your own DIN adapter. Air fills included; Nitrox 32% available to certified divers for an additional fee. Limited 15L / 100 cu ft tanks rentable (request in GIS, confirm with staff on arrival). Full rental line aboard (mask, fins, snorkel, BCD, regulator, dive computer, lights, SMB, Nautilus Marine Rescue GPS, wetsuits, U/W cameras); free loaner gear if your equipment fails on board. 3mm rental wetsuits offered but size availability may be limited — bring your own. Lithium-ion batteries must be charged at the camera station, not inside the yacht.

Itinerary Details

Each itinerary departs from and returns to Malé; diving begins on the morning of Day 2.

7-Night (Best of Maldives): Malé / Malé route; average up to 20-24 dives.

10-Night (+ Meemu or + Lhaviyani): Malé / Malé with extended range; average up to 28–32 dives.

- Lhaviyani itinerary focus: Best of Northern Maldives — covers northern atolls; known for strong currents and exceptional big fish.

- Meemu itinerary focus: southern extension; diverse atoll ecosystems.

The Maldives is world-famous for drift diving through channels and thilas (coral pinnacles), encountering large schools of fish, manta rays, whale sharks, and other pelagics. All diving is from the Dhoni — a stable, well-organized platform for every dive.

Diving Conditions

Water: 80–84°F (27–29°C) year-round — 3mm wetsuit year-round

Visibility: January–February can exceed 150 ft (45 m); Southwest Monsoon typically 70–100+ ft (20–30+ m), determined by tidal movements

Season	Conditions
Northeast Monsoon (Jan–Apr): January–February	Clear water, visibility can exceed 150 ft (45 m). Currents can be very strong. Excellent big animal activity.
Northeast Monsoon (Jan–Apr): March–April	Conditions generally improve; good visibility.
Southwest Monsoon (May–Oct)	More rain and wind, but excellent big animal action — manta rays and whale sharks active. Visibility determined by tidal movements, typically 70–100+ ft (20–30+ m).

Scuba Training

Enhance your education while on board an Aggressor yacht!

The courses available include:

- Advanced Open Water Diver (SSI or PADI)

- Enriched Air / Nitrox Courses (SSI or PADI)

Course fees are due once on board and after the instructor confirms your course. The training agency providing your course will depend on your instructor's affiliations.

A diver participating in scuba training will need to complete a medical history form. Please be sure to review the form prior to traveling and ensure you do not need a physician's signature.

Photo & Video

Photography: The yacht offers photography coaching while on board. The Maldives Aggressor II has a camera table with low-pressure air hoses and a dedicated charging station for your camera and video equipment.

As a safety precaution, all lithium-ion batteries must be charged outside at the camera station and cannot be charged inside the yacht.

Video Service: The Video Professional can capture your diving adventure on board the Maldives Aggressor II to share with family and friends.

The video of the week (including all guests and staff) is available for an additional fee. See www.aggressor.com for current pricing.

Nearest Chambers

Facility	Location / Notes
Bandos Island (primary)	15 minutes by speedboat from Malé
Kuramathi	Regional chamber covering Ari Atoll
Kuredhu	Regional chamber covering the northern Lhaviyani itinerary
Viligili	Regional chamber covering the southern Meemu itinerary

Prohibited Diving Activities

The following diving activities are not supported and prohibited on Aggressor Liveboards

- Use of Spear guns, Hawaiian slings or collecting of any kind are not permitted.
- Solo Diving
- Use of double tanks
- Decompression or Technical Diving
- Touching, chasing, or disturbing marine life of any kind.

6. AFTER YOUR ADVENTURE

Check-Out Time

8:00 am (morning after the last dive day), with transport to MLE Airport after breakfast

Check-out time is 8:00 am for all guests. At this time, all guests and their luggage must be off the yacht, so staff have adequate time to prepare for new guests arriving in just a few hours. If you are making your own transfer arrangements, please ensure that you are picked up at or before check-out.

Departure Schedule

Check-out 8:00 am (morning after the last dive day); transportation to Malé International Airport (MLE) provided after breakfast.

Post-Adventure Extensions

If you arrive early, staff recommend staying at a hotel or resort in the Malé area. Aggressor DeTours can help arrange extended stays on other islands (travel@aggressor.com); you are responsible for transfers between the airport and your hotel.

Guest Surveys

You will receive a detailed survey via email three days after your adventure ends. (If you've completed back-to-back adventures, you'll receive one survey for each.) Aggressor Adventures truly values guest feedback and integrates it into the continuous improvement of Aggressor programs.

Many amenities and experiences you enjoyed during your adventure were inspired by guest suggestions. Your feedback is sincerely appreciated as it helps Aggressor enhance operations and exceed future guest expectations.

Your survey also offers a valuable opportunity to recognize exceptional staff performance. These evaluations directly influence staff recognition programs, awards, and promotions. The staff is dedicated to making your adventure

memorable, and your feedback helps celebrate their outstanding service. The time you take to provide thoughtful responses is greatly appreciated and helps maintain the highest standards of the Aggressor experience.

Stay Connected

Each week, the previous charter's Adventure log is uploaded to the website. Feel free to visit www.aggressor.com and check the Adventure log for water temperature, visibility, and sightings.
